LEARN TO EXCEED YOUR LIMITS

Grow your wealth with these 18 rules to live by...

- 1.** **Love** money and **understand** money. It is a **scorecard** for how well you and your business are doing.
- 2.** Learn to **master the game** of money. Remember, it is a game.
- 3.** **Pay yourself** first, then your bills later.
- 4.** Put at least 10% of your income into **savings pots**.
- 5.** Invite money into your life through **daily affirmations**.
- 6.** Use **good debt** to make you more money.
- 7.** Take advantage of the **compound effect** and get your money to *at least* double every year.
- 8.** Learn how to **invest**. Give every £1 a job that earns whilst you are asleep.
- 9.** Have clarity on **how much money** you really want to earn. Create a plan and set goals to achieve your desired amount.
- 10.** Use the **conformity law** to your advantage. You are the average of the 5 people you hang around with.
- 11.** **Track** all of your expenses and income
- 12.** Play to your **strengths**.
- 13.** Have funds in your account for **at least 1 year's salary** in case of emergencies
- 14.** Learn to **leverage** the resources around you.
- 15.** Be **strategic** with your **partnerships**. When you make it, others make it.
- 16.** When you're not in cash flow panic, **support a charity** that means a lot to you and start off with giving a minimum of 1% of your earnings every year.
- 17.** Remember, it is not how much money you make; it is **how much you keep**.
- 18.** NEVER CHASE AFTER MONEY. BE A **MONEY MAGNET** THAT ATTRACTS OPPORTUNITIES AND WEALTH!
